To Whom It May Concern:

William F or William C. Keen whichever name he may use is a homosexual. This man acting under many pretences brought me over to this country from England in 1947 when I was 8 years old.

The first week I was here I was allowed to write my mother in England and everything seemed normal. The following week he made me commit a homosexual act with him and in return he threghtned that if I didn't do it that he would never let me go home to see my mother and sister. This went on until I was 13 years old. I wasn't allowed to participate in any outside activities except scouting and if I even mentioned my mother and sister I would get the belt. When I say the belt I mean from head to toe. When I reached 13 he finally let me alone, but I saw him hold immoral acts with other boys.

If you need any more detail that this let me know because I can tell you a lot more.

Sincerely

P.S. I never did get to see my mother and sister.

Dear Sir

Mr. King did a lot of things that people did not like very well. He promised to take us on a canoe trip and then he would take us somewhere else. And he would give some of the boys the blue ball incision which, he taped their privates. If some one was later he would charge them five cents, but no one knows where the money goes to. I've heard that a lot of boys do not like him at all.

Your friend

Dear Mrs Basil Starky

This information concerns Mr William Keen Sr.
when he was skipper of Ship 55, and he wanted to
recharter again, with the Optimist Club of
Newport Ky. as the sponsoring institution they
refused for reasons of their own. I was informed
by a member of Unit #57 of Npt Ky, that Mr Keen
Sr. had borrowed \$50.00, which was never repayed to
Unit #57. This information can be checked thru the
named above organization.

Sincerely
George C. Chavez

SUBJECT: William Keen, Advisor Ship 58

In my opinion, Mr. Keen should not be acceptable for registration in Scouting in any position. In previous years Mr. Keen was the Advisor of Ship 55 which is sponsored by the Newport Optimist Club. During 1958 and 1959 in the re-charter month (March), the Optimist Club Committee met, signed the Ship Charter and paid their registration fees, the Charter papers were then given to Mr. Keen for his signature and registration fee and of course for the boy members of the Ship, he was then to bring or mail the Reregistration papers to the Dan Beard Council office. This did not happen though almost daily follow-up was made by the Officers of the Optimist Club, the District Executive and the Neighborhood Commissioner, during both of these years final meetings were held in June and Optimist Club Members again paid to register, no reasonable excuse was offered by Mr. Keen for this action.

In 1960 the Optimist Club insisted that Mr. Keen resign from this position as Advisor, this was accomplished after much difficulty and agitation.

There are also many other unsavory stories connected with Mr. Keen and though I personally have no proof of these rumors there must be some basis for them considering that these stories have come from widespread areas and sources within the District.

I firmly believe that Mr. Keen's nature would not be compatible to the best interest of Scouting.
